JUDGMENT

**WARNING:** The publication of information or details likely to lead to the identification of persons in some proceedings is a criminal offence. This is so particularly in relation to the identification of children who are involved in criminal proceedings or proceedings for their protection under the *Child Protection Act 1999*, and complainants in criminal sexual offences, but is not limited to those categories. You may wish to seek legal advice before giving others access to the details of any person named in these proceedings.

HIS HONOUR: In this matter I grant leave to the plaintiffs to amend the claim and statement of claim. I order that the plaintiffs pay the costs of and incidental to the application made necessary by this hearing, and the amendments, to be assessed on a standard basis.
