JUDGMENT

11062002 T1/SJ3 M/T BAN07/2002

THE CHIEF JUSTICE: Well, in light of the case of Monks, two years' service as a Tipstaff and Research Director would be considered an acceptable substitute for the prescribed practical training. We accordingly direct that subject to the applicant's satisfactory completion of two years' service as a Tipstaff and/or Research Director he be exempted from compliance with the prescribed practical training requirements.
