WAYNE EDWARD BUTLER

REFERENCE BY ATTORNEY-GENERAL UNDER
S.672A OF THE CRIMINAL CODE

BRISBANE

..DATE 29/09/2005

ORDER

THE PRESIDENT: In the circumstances the Court is persuaded that the adjournment should be granted. The hearing of the petition will be adjourned to a date to be fixed.

Counsel are to liaise with the Deputy Registrar, Appeals, within four weeks of today's date as to the progress of this matter and to then follow the directions of the Deputy Registrar. If there is any difficulty in terms of following those directions or any dispute as to whether those directions should be followed the matter will be listed for mention before a Judge of Appeal.

It seems likely that the matter then will be listed for hearing in early 2006.
